## 2. **SALE OBJECT, PURCHASE AND SALE**

2.1 The following immovable property and business will be sold as at the date of sale:-

### 2.1.1 **The Property as defined hereinbefore**

Above mentioned herein referred to as the "**Sale Object**".

## 3. **SALE AND PURCHASE OF GOING CONCERN**

3.1 The **SELLER** sells to the **PURCHASER**, who purchases, the **Sale Object** as a going concern with effect from the date of registration of transfer and upon the terms and conditions set out in this agreement.

3.2 The Parties record that: -

3.2.1. the date of supply in terms of the VAT Act will be the date of registration of transfer, being the date on which payment of the balance of the purchase price will be effected to the **SELLER**; and

3.2.2. the **Sale Object** will, after the date of registration of transfer be continued by the **PURCHASER** as a going concern.

3.3 The **SELLER** and the **PURCHASER** reciprocally warrant to each other that, as at both the date of sale and the date of registration of transfer, each of them will be registered as vendors in terms of the VAT Act. The **SELLER** and the **PURCHASER** respectively undertake, within 5 (five) business days of the date on which they are called upon to do so, to deliver to the conveyancers a certified copy of their respective VAT 103 registration certificates.

3.4 The Parties agree (and it is their intention) that: -

- 3.4.1. all of the assets necessary to carry on the Sale Object as envisaged by the VAT Act, are disposed to the **PURCHASER** in terms of this agreement;
- 3.4.2. the Sale Object sold in terms of this agreement will remain active and operating until the date of registration of transfer and will, as at the date of registration of transfer constitute an income generating enterprise for purposes of the VAT Act; and
- 3.4.3. the Sale Object is being sold as a going concern and it will, as at the date of registration of transfer, constitute an enterprise capable of separate operation, in that it will be capable of being operated as a self-standing business in its' own right.

3.5 Accordingly: -

- 3.5.1. the sale of the Sale Object in terms of this Agreement, falls within the ambit of Section 11(1)(e) of the VAT Act and, therefore, value added tax is payable at the rate of zero percent; and
- 3.5.2 the purchase price is exclusive of VAT, but VAT is payable at the rate of zero percent.

3.6 The **PURCHASER** undertakes at its own cost and expense, prior to the date of registration of transfer, to apply for and submit all documents necessary and required to the South African Revenue Service for the zero rating of the transaction in terms of section 11(1)(e) of the VAT Act.

3.7 Should, after the date of sale, the Commissioner from the South African Revenue Service hold that the Sale Object (or any part thereof) hereby sold by the **SELLER** to the **PURCHASER** was not disposed of as a going concern at the zero rate for purposes of the VAT Act, or for any reason rule that VAT is payable at the normal rate in respect of the sale of the Sale Object (or part thereof) in terms of this agreement, the purchase price shall *ipso facto* increase by an amount equal to such VAT payable on the purchase price in terms of the VAT Act and the **PURCHASER** shall be liable to pay such VAT to the **SELLER** when the **SELLER** is required in terms of the VAT Act to make payment thereof in respect of the sale, provided that the **SELLER** shall furnish the **PURCHASER** with a valid tax invoice prior to or at the time the **SELLER** is required to make payment thereof, to permit the **PURCHASER**, to claim a deduction of the VAT so payable in terms of section 16(3) of the VAT Act.

#### 4. **RESERVE PRICE AND CONFIRMATION**

4.1 The Sale Object will be sold without reserve, to the highest **BIDDER** but subject to confirmation by the **SELLER**, which confirmation may be given or refused by the **SELLER** without furnishing reasons therefore. This document constitutes an Offer to Purchase by the **PURCHASER**, and the **PURCHASER** is unconditionally and

irrevocably bound to this Offer for a period of **14 calender** days (the calculation of which excludes the date of signature hereof by the **PURCHASER**) and the Offer is open for acceptance by the **SELLER** at any time during this period. The onus will rest upon the **PURCHASER** to establish whether his bid was confirmed, or not.

- 4.2 The **SELLER** reserves the right to extend the confirmation period within reason.
- 4.3 If this contract is not confirmed, it shall be regarded as null and void and be of no force and effect, and all payments made by the **PURCHASER**, including commission, will be refunded without delay.
- 4.4 During the confirmation period above, the **AUCTIONEER** may continue to market the sale object in the normal course of business as he may deem fit. He may receive and take in higher Offers to Purchase from prospective **PURCHASERS**. Any such higher offer should be made to the **AUCTIONEER**, subject to the same terms and conditions as the Offer to Purchase on the auction. After confirmation of acceptability of the highest offer so received the original bidder at the auction shall have the right to equal such offer, which offer will be preferent to any other offers.
- 4.5 The **AUCTIONEER** shall advise the **PURCHASER** of the highest acceptable offer as contemplated above. The **PURCHASER** shall have the option to, within a period of 24 (twenty four) hours after being so notified (excluding weekends and public holidays), increase his offer in writing in terms of this agreement to an amount equal to the Purchase Price of such higher acceptable offer. If the **PURCHASER** elects to exercise this right, the **PURCHASER** shall amend his original Offer to Purchase or complete and sign a new Offer to Purchase reflecting such higher offer, and shall supplement the deposit and auctioneer's commission required by Paragraph 9.2 below accordingly.
- 4.6. It is specifically recorded that the bids of both the highest **BIDDER** and the under **BIDDER** (the second highest bid) will stand and be regarded as legally binding for consideration and acceptance by the **SELLER(S)**. The decision regarding acceptance of any offer shall be entirely at the discretion of the **SELLER(S)**.
- 4.7 Both these **BIDDERS** shall stay at the auction venue after completion of the auction and sign these Conditions of Sale for their respective bids immediately after the auction. Both **BIDDERS** will also be required to make payment of the deposit and commission (plus VAT, if applicable) as provided for elsewhere in these Conditions of Sale. If the highest **BIDDER** does not perform his or her duties as provided for in these Conditions of Sale and the Rules of Auction then the bid of the under **BIDDER** shall be regarded as the auction offer.
- 4.8 In the event of this agreement requiring the consent of the Master of the High Court in terms of any law or the consent of the Local Authority/Municipality to pass transfer, then this agreement is subject to such consent being obtained in writing as soon as possible and in the normal course of the conveyancing process.

4.9 ~~The **AUCTIONEER** or his agent is entitled to bid up to the reserve price on behalf of the **SELLER**, but shall not be entitled to make a bid equal to or exceeding the reserve price.~~

## 5. **DISPUTES**

5.1 In the event of a dispute arising in regards to a bid made, the **AUCTIONEER** will have the discretion to put the Sale Object up for auction again and his decision will be final. Should the **AUCTIONEER** and/or the **SELLER** commit any error in respect of the sale of the Sale Object, such error shall not be binding upon the parties and shall be rectified.

5.2 Should the **PURCHASER** fail to conclude the transaction in all facets, the **AUCTIONEER** will be entitled to resell the Sale Object by auction or private treaty.

5.3 Should the **AUCTIONEER** have any reason to believe that a **BIDDER** is not able to pay the deposit or the purchase price, he is entitled to refuse a bid from such a **BIDDER**, or accept it provisionally, until he is satisfied that the **BIDDER** is able to pay the aforesaid amount. Should a bid be rejected under these circumstances, the Sale Object can immediately be put up on auction again.

## 6. **SIGNATURE**

6.1 The **PURCHASER** shall sign this Offer when called upon to do so by the **AUCTIONEER**.

6.2 Should the **PURCHASER** be married in community of property or bid on behalf of a third party, he guarantees that the necessary consent and power of attorney to legally bind the **PURCHASER** has been obtained and that the transaction shall be concluded in all its facets. The said written consent and power of attorney must be submitted on request.

6.3 The person signing this agreement will nevertheless be held personally liable for the fulfilment of all the terms hereof, even though he acts on behalf of a spouse or principal.

6.4 If the person acts without the abovementioned power of attorney and the said remedies are not available against the **PURCHASER** the **BIDDER** will be liable for Delictual Damages.

6.5 Should the **PURCHASER** be a company, close corporation or trust, the person signing this agreement on behalf of such **PURCHASER**, by his signature hereto interposes and binds himself as surety for and co-principal debtor with the **PURCHASER** for the due and proper discharge of all its obligations arising from this agreement.

## 7. LEASE

(DELETE IF APPLICABLE)

The **SELLER** gives no guarantees for the successful running of the business on the property or elsewhere and the bid shall be proof of that the **PURCHASER** has acquainted himself with the conditions, defects and shortfalls of the Sale Object. The Sale Object is sold subject to all conditions, servitudes, current or forthcoming land claims, legal or illegal occupants and/or expropriation applicable to the Property and evidenced in the existing title deed of the specific Property.

11.2 The **AUCTIONEER** and/or **SELLER** is not obliged to point out any beacons or boundaries, and any description or information, whether by way of advertising, brochures or verbal communication is done in good faith and the **PURCHASER** acknowledges that he was not induced into this agreement by any explicit or implied representations, warranties, statements made or information given by any person.

11.3 It is agreed by the **PURCHASER** that neither the **SELLER** nor the **AUCTIONEER** purport to be experts with regards to defects in immovable property, and consequently that their failure to specifically point out a specific defect cannot be seen as any form of misrepresentation.

11.4 The **PURCHASER** acknowledges that the subject Property sold herewith is not a newly constructed building and that the condition of the Property may not be the same as that of such newly constructed building. Consequently, certain patent and latent defects may have developed, particularly but not limited to the condition of the roof and roof trusses, ceilings, electrical-, plumbing- and sewerage reticulation, walls, windows and skylight fittings, floors, fixtures and fittings, gates, pool and pond electrical components, garden installations and all other similar appurtenances.

11.5 **BIDDERS** should refrain from either bidding at the auction or making an offer for the **Sale Object** if they have not familiarised themselves with all of the clauses of this Conditions of Sale and the condition and status of the Property and Sale Object, and neither the **SELLER** nor the **AUCTIONEER** accepts any liability towards the **PURCHASER** in this regard.
